### Methods of Payment

All fees for childcare are due in advance of care. Fees must be paid by cash, bank transfer, standing order, childcare vouchers or tax-free childcare scheme. If paying online, please quote your child's name in the reference.

If you pay using the Student Grant scheme, all requests for payments must be approved within 7 days to avoid late payment charges.

### 3 Year Old Funding – Meals and Consumables

All funded sessions are required to pay a fee for snacks, meals and consumables.

If parents choose to send their children with a packed lunch, the same charge will still stand.

Consumables include all resources for activities and your child's personal care throughout the day.

### Charges for holiday periods

All fees are still payable during holiday periods, with the exception of two weeks' equivalent of holiday days per annum for a full-time child. Holidays are pro-rata for any child attending less than 5 days. This allowance runs September to August.

Holidays must be booked by the 10<sup>th</sup> of the month for holidays being used the following month using the QR code (e.g. 10<sup>th</sup> October for a holiday in November).

### How your bill is calculated

Every child must have set days booked at least 4 weeks in advance. These days will be invoiced for the month prior. This is so we can guarantee care each week and cover staffing ratios.

If any ad-hoc (one-off) sessions are booked, places will be given subject to availability. These sessions must be booked with the Nursery Administrator.

Extra days will appear on your next month's invoice.
