Methods of Payment

All fees for childcare are due in advance of care. Fees must be paid by cash, bank transfer, standing order, childcare vouchers or tax-free childcare scheme. If paying online, please quote your child's name in the reference.

If you pay using the Student Grant scheme, all requests for payments must be approved within 7 days to avoid late payment charges.

How your bill is calculated

Every child must have set days booked at least 4 weeks in advance. These days will be invoiced for the month prior. This is so we can guarantee care each week and cover staffing ratios.

If any ad-hoc (one-off) sessions are booked, places will be given subject to availability. Extra days will appear on your next month's invoice.
