

No Smoking/Vaping Policy

The nursery operates a strict no smoking/vaping policy on the nursery premises including outdoor areas and the car park. Staff, students, parents, carers, visitors, contractors are respectfully required to abstain from smoking/vaping whilst on the premises at all times whilst children are present and when they are not.

Staff members taking the children on trips or walks outside the nursery are not permitted to smoke/vape. We also request that parents accompanying nursery children on outings refrain from smoking/vaping.

We support healthy lifestyles and therefore help staff and parents to stop smoking by:

- Providing factsheets and leaflets
- Providing information of local help groups
- Providing details of the NHS quit smoking helpline - www.smokefree.nhs.uk
- Offering information regarding products that are available to help stop smoking

This policy also includes the use of e-cigarettes.
